

## **To all Upper Midwest Bull Session Tin Can Sailors (Oshkosh Wisconsin)**

Due to the recent COVID-19 situation, and the restrictions and health concerns, we will have to cancel the June 2020 event. The state is restricting the size of groups, and we have talked it over and do not feel that it would be safe to hold our event in June. All events in Oshkosh, Wisconsin have been moved to later in the year, (August through October), or cancelled. We may try a later date if the COVID-19 is under control, and restrictions are lifted. I would love to see you all soon, but please stay safe for now. I myself have had several problems November through January due to blood pressure medicine.

We of the Tin Can Sailors have fought in many wars and survived. We are now faced with an invisible enemy that is unpredictable and undetectable. It can move faster than any enemy we have ever faced. We will survive if we use our heads, and in this case sit back and wait. Proceed with caution and stay safe.
